

**BRITISH TRANSPORT POLICE HISTORY GROUP
ROLL OF HONOUR**

**RAILWAY, DOCK & CANAL OFFICERS
WHO GAVE THEIR LIVES IN THE GREAT WAR 1914-1918**

We would be grateful for any further information or photographs of any of the men remembered here, their gravestones or war memorials that commemorate their name. Please contact the address below.

If you would like details of the sources from which these entries have been based, or would like to make an enquiry on an officer please contact us please by contacting the address below.

The entries in this Roll of Honour are only a part of what is known about these officers. A Book of Remembrance, that will contain biopics of all officers in much greater detail, is being prepared and will be available on this website when it is completed.

We would like to thank The Great Eastern Railway Society for allowing us to use photographs, from the Great Eastern Staff Magazines 1914-1929, of officers who served in the Midland Railway Police this Roll of Honour.

Every effort has been made to contact or trace owners of other photographs used in this Roll of Honour. We apologise if this has not been possible but would invite owners to contact us at the address below so acknowledgement can be made.
